SUYASH BHANUDAS SONAWANE

JAVA DEVELOPER

Phone- +91-9921502205 | E-Mail | LinkedIn | GitHub | Portfolio

PROFESSIONAL SUMMARY

I'm recently graduated in B.Sc. Computer Science. Innovative **Java Developer** building scalable applications using Java, **Spring Boot**, and **Microservices**. Proficient in modern Java .

PROFILE HIGHLIGHTS

- **Advanced Framework Knowledge:** Adept in using Spring Boot for building production ready applications and Spring Cloud for microservices-based solutions. Skilled in integrating with modern frameworks such as Spring Vertex for reactive programming to handle asynchronous data streams effectively.
- **RESTful API Mastery:** Extensive experience in designing and consuming RESTful APIs, with a focus on API security, versioning, and performance optimization. Familiar with Open API/Swagger for API documentation and testing.
- **Modern Front-End Development:** Proficient in developing dynamic, responsive web applications using React.js, including state management with Redux or Context API. Experience with hooks, functional components, and the latest React features to build high-performance user interfaces.

TECHNICAL SKILLS

- **Front-end development:** HTML, CSS, JavaScript.
- **Back-end development:** Core Java, OOP's Concepts, Multithreading, Exception Handling, Design Patterns, Collection Framework, J2EE, Hibernate/JPA, Spring MVC, Spring Boot, Spring Security.
- **Databases:** MySQL, PostgreSQL, Database design and optimization.
- **Tools:** Eclipse, VS Code, Git, GitHub.

PROJECTS – SMART CONNECT

- Tech Stacks: **Java, Spring Boot, MySQL, JPA and Bootstrap.**
- Developed and implemented features for a curd (create, update, read, delete) app, ensuring smooth user experience and efficient data management.
- Utilized Spring Boot to build the backend of the curd app, meeting project requirements and deadlines.
- Developed and launched an agricultural marketplace connecting over farmers and buyers, facilitating transactions and fostering collaboration in the agricultural supply chain.

ELEVENTA ELEVATOR

- Tech Stacks: **JavaScript, HTML, CSS, Bootstrap and Bootstrap.**
- Developed a responsive web application for monitoring and managing elevator operations, featuring real-time status updates, maintenance logs. The project resulted in 100% improvement in operational efficiency and customer satisfaction. (https://eleventaelevator.in/)

Personal Portfolio Website

- Tech Stacks: **HTML, CSS and JavaScript**
- Designed and developed a responsive personal portfolio frontend app using modern web technologies such as HTML5, CSS3, and JavaScript, ensuring compatibility across various devices and browsers.
- Implemented interactive features and animations to enhance user engagement and create a dynamic user experience.

EDUCATION

Bachelor of Computer Science, PVP College, Pravaranagar.
JUNE 2021 — June 2023

HSC- Sharda junior College, Rahata
August 2019 — July 2020

SSC- Sharda Vidya Mandir, Rahata
August 2018 — July 2019
